NO JUDICIAL RELEASE OR EARNED DAYS OF CREDIT ON ALL COUNTS. POST RELEASE CONTROL IS PART OF THIS PRISON SENTENCE FOR 5 YEARS MANDATORY FOR THE ABOVE FELONY(S) UNDER R.C.2967.28. ## Fifteen Indicted for Fraudulent Prescription Ring

2/12/2015

Cleveland – Fifteen people have been indicted for running an organized fraudulent prescription ring that spanned six counties in Northeast Ohio, Cuyahoga County Prosecutor Timothy J. McGinty announced today.

The criminal activity spanned December 2012 through October 2014 in Cuyahoga, Ashland, Lake, Lorain, Medina and Wayne counties, and culminated in a 206-count indictment that included charges of Engaging in a Pattern of Corrupt Activity, Conspiracy, Corrupting Another with Drugs, Theft, Illegal Processing of Drug Documents, Deception to Obtain a Dangerous Drug, Drug Possession, Trafficking and Possessing Criminal Tools.

Nine of the 15 defendants have been indicted on racketeering charges: Heather Mitchell, 40, of Cleveland; Bobby Dickens, 34, of Parma; Danielle New, 30, of Berea; William Moore Jr., 37, of Cleveland; Alvin Ratliff, 34, of Cleveland; Scott Joachim, 30, of Cleveland; Heather Kaput, 37, of Valley View; Christopher Mihalek, 25, of Akron; and James Decore, 32, of Cleveland.

The remaining defendants are: Novella Mitchell, 22, of Cleveland; Angela Boiani, 32, of Parma; Nichole Watt, 32, of Parma; Luis Hernandez, 28, of Cleveland; Jonathan Hill, 39, of Cleveland; and Crystal Nolin, 31, of Cleveland.

Mitchell, who has a criminal history in forging prescriptions going back to 1998, led the ring along with Moore, who served as a recruiter, handler and enforcer for Mitchell.

The ring obtained blank prescription pads or created counterfeit prescriptions for narcotics. Mitchell herself created false prescriptions or had one of her co-defendants steal prescription pads from a doctor's office. She also posed as a law enforcement officer calling doctor's offices or pharmacies under the premise she was investigating fraudulent prescriptions, and would obtain a physician's DEA number. Mitchell would then fill out prescriptions for narcotics and send "mules" to fill them at various pharmacies. Mitchell paid drivers and mules in cash or in narcotics.

Through the activities of this ring, at least 5,000 narcotics pills were illegally distributed in Cuyahoga County and surrounding counties.

*The Jurors of the Grand Jury of the State of Ohio, within and for the body of the County aforesaid, on their oaths, IN THE NAME AND BY THE AUTHORITY OF THE STATE OF OHIO, do find and present, that the above named Defendant(s), on or about the date of the offense set forth above, in the County of Cuyahoga, unlawfully*

through a pattern of corrupt activity or the collection of an unlawful debt, did acquire or maintain, directly or indirectly, any interest in, or control of, any enterprise or real property and at least one of the incidents of corrupt activity was a felony of the first, second, or third degree, aggravated murder, or murder, or at least one of the incidents was a felony under the law of this state that was committed prior to July 1, 1996, and constituted a felony of the first, second, or third degree, aggravated murder, or murder or was committed on or after July 1, 1996, or one of the incidents of corrupt activity was a felony under the law of the United States or of another state that, if committed in the state on or after July 1, 1996, would have constitute a felony of the first, second, or third degree, aggravated murder, or murder under the law of this state.

defined in Section 2923.31(C) of the Revised Code.

The Enterprise existed separate and apart from the pattern of corrupt activity in which it engaged. In the alternative, the Enterprise is an "illicit enterprise" under O.R.C. 2932.22, whether or not this Enterprise existed separate and apart from the pattern of corrupt activity described in this Indictment. This Enterprise functioned as a continuing unit by engaging in the diverse forms of illegal activities, as stated in this Indictment. In so doing, the DEFENDANTS NAMED BELOW are persons associated with the Enterprise who participated in and/or managed the affairs of the Enterprise, as explained in the Indictment. As such, these persons provided continuity and structure to the Enterprise in order to accomplish its illegal purposes-the pattern of corrupt activity, to wit:

An organized drug ring whose purpose was to obtain prescription drugs by false pretense and then to sell these prescription pills on the street, or trade them for heroin. This Enterprise and the Persons associated with the Enterprise were joined in purpose over a period of time, although their various roles were different in order to accomplish the main purposes of the Enterprise. These activities occurred with the knowledge and/or support of and/or were aided and abetted by each of the persons associated with the Enterprise.

An association-in-fact enterprise must have a structure, but it does not need to have an ascertainable structure beyond that inherent in the pattern of racketeering activity in which it engaged. To constitute an association-in-fact enterprise under O.R.C. 2923.31, a group need not have a hierachal structure, chain of command, or other business-like attributes; decisions may be made on an ad hoc basis and by any number of methods. Members of the group need not have fixed roles; different members may perform different roles at different times. An enterprise is proven by evidence that the various association function as a continuing unit. Proof of a pattern of corrupt activity may be sufficient under O.R.C. 2923.31 to create an inference that an association-in-fact does exist.

The enterprise is an association and/or an organization and/or a group of persons associated-in-fact although not a legal entity, including but not limited to Heather Mitchell, Chris Mihalek, Nicole Watt, Angela Boiani, Danielle New, Heather Kaput, William Moore Jr, Bobby Dickens, James W. Decore, and others yet unknown.

Each of them did conduct and/or participate in, directly in the affairs of said enterprise, to unite a group of persons "associated-in-fact" for the purpose of illegal possession of drug documents, illegal possession of narcotics, illegal processing of drug documents, theft by deception, drug trafficking and deception in obtaining dangerous drugs through a pattern of corrupt activity defined in Section 2923.31 (I) (2) (A) or (I) (2) (C) of the Revised Code.

The Enterprise consists of all of the above named and unnamed individuals who are involved in an organized fraudulent prescription ring managed and directed by Heather Mitchell and William

Cuyahoga County Court of Common Pleas

A True Bill Indictment

Moore Jr. The ring's purpose was to obtain blank prescription pads and/or create fictitious prescriptions, utilize fictitious names to be used on the prescriptions to send people (mules) to cash (bust) the prescription and then to traffic the drugs obtained by the mules by distributing among themselves said drugs or trade the drugs for Heroin and to sell the pills on the street. The Enterprise operated under the direction, control and management of Heather Mitchell who is an expert of obtaining prescription drugs by deception, based upon her past behavior and her specialized knowledge of the process of obtaining narcotics by a prescription.

Heather Mitchell created, orchestrated, controlled, recruited, and monitored the fraudulent operation of the ring.

William Moore Jr. was a recruiter, a "handler" as well as the enforcer to make sure the members abided by the rules of the ring created by Heather Mitchell.

Alvin Ratliff and Scott Joachim contributed to the function of the enterprise by stealing blank prescriptions from a doctor's office in order for the ring to utilize the blank prescription in obtaining prescription narcotics. Scott Joachim and Heather Kaput acted as a "driver" who transported various mules to various pharmacies to effectuate the goals of the enterprise. The drivers were paid a set fee (40 dollars) for their service as a driver and both individuals shared in the drugs illegally obtained by getting the pills themselves or trading the ill-gotten pills for Heroin.

Christopher Mihalek is a close confidant of Heather Mitchell and acted as one of her main mules to effectuated the purpose of the enterprise.

James Decore AKA the "Italian guy" acted on occasions as a driver but his main role was to purchase the prescription pills the ring had obtained from Heather Mitchell. He was the conduit for the pills to actually hit the streets.

As stated the enterprise to succeed needed mules who were recruited either by Heather Mitchell or William Moore to travel to the various pharmacies in the six mentioned counties to cash/bust the fraudulent prescription. The following individuals acted as mules for the enterprise, Nicole Watt, Angela Boiani(D'more), Danielle New, Heather Kaput, and Bobby Dickens.

Novella Mitchell, the daughter of Heather Mitchell, with knowledge of the enterprise, provided her phone to be utilized as a criminal tool to contact the various pharmacies and to communicate among themselves information by the use of her phone.

The enterprise operated as follows. Based upon her exclusive knowledge of how to obtain prescription narcotics illegally Heather Mitchell organized the ring by first getting the "paper"

necessary to obtain the pills. "Paper" refers to the actual paper prescription. Heather Mitchell would either create a fictitious paper prescription or would direct individuals such as Scott Joachim and Alvin Ratliff to steal blank prescription pads from various doctor's offices.

Next a doctor's DEA number was needed to be placed on the fraudulent prescription in order to get it filled. Heather Mitchell would pose as a law enforcement officer and by phone call either a doctor's office or a pharmacy claiming to be investigating fraudulent prescriptions. During that call Mitchell was able through deception to obtain doctor's DEA numbers which she utilized to carry out the purposes of the enterprise.

Once Mitchell had both the "paper" and the DEA number she would actually make out the script like a doctor would with the kind, strength, quantity, and usage on the script. William Moore Jr. would also from time to time write the script out as part of his role within the enterprise.

As stated individual people who are called mules are persons who actually go to the pharmacies to fill (cash/bust) the prescriptions. Heather Mitchell would pick which pharmacies to go, the time they would go and assign a mule and a driver to go the particular pharmacy. There was a specific pay scale for each members role, a driver would be paid \$40 and the mule \$200 for obtaining the drugs. Heather Mitchell would monitor and control the transactions through the use of a cell phone and William Moore Jr. would make sure nobody skimmed the illegally gotten pills. If needed Heather Mitchell would call the target pharmacy to gather information on the status of the prescription by pretending to be someone from the doctor's office, a law enforcement officer or as a patient. Personnel from the various pharmacies remember her charming demeanor.

Once the prescription was filled they would be delivered to Heather Mitchell immediately as she would then pay the driver (\$200) and the mule (\$40) or give them pills. Heather Mitchell would then sell the pills to former James Decore "the Italian guy" who would then sell them on the streets. The ring operated for almost two and half years and at least 5000 pills hit the streets of Cuyahoga and surrounding counties.
